

Activation of a new Wavestation-only Wave 1 device.

IT'S EASY TO CONNECT TO THE WAVESTATION

Congratulations! You're about to gain full access to the Wavestation. A lifetime of frequency-enhanced wellness and performance is just a few steps away.

UNLEASH THE WELLNESS WITHIN

1. Download and install WaveAssistant here:
www.WaveAssistant.com
Minimum Requirements: Mac OS 10.7 or Windows 7.
2. Connect the Wave 1 device.
3. Enter the registration info.
4. Accept terms and conditions.
5. Return to WaveAssistant App for confirmation that the device has been configured.
6. There are no controls to change. Your device is now ready for use.

The first quarter General Wellness Frequency Package is designed to work while you sleep. For the initial three months of the program you will wear your WAVE 1 device overnight.
